Hello friends,

Come and vote for your favorite chili, enjoy complimentary cookies and punch and meet our celebrity judges while learning more about our fight against cancer. So far, our judges include some members of the KSU football team and former Cleveland Brown great, Dave Puzzuoli! John Weiss is a local Artist who is world renowned. He is the 'Top Dog' Artist for the premiere publisher of limited edition prints since 1982. One of his dog portraits was even given to Queen Elizabeth by Lady Barlow. John has graciously agreed to donate an example of his work to be raffled for the benefit of the American Cancer Society Relay For Life of Stow-Munroe Falls. The drawing will take place at the event on June 2, 2012. ALL proceeds will go to support ACS. You are also invited to come and meet John and see his work on January 21st. More to be announced as the event draws closer! As soon as I have a photo of his work, I'll be posting it too!

John Weiss, aka, 'The Painter of Dogs.' Please plan to attend! I'm counting on your vote!

Thanks, Brad Bebout

P.S. John's painting will be donated on behalf of Team F.A.C.E.!
